THE POKER CAPITAL OF THE WORLD: **COMMERCE CASINO**

Why go to Las Vegas? Los Angeles is actually home to the largest poker casino in the world. Known as "The Poker Capital of the World", Commerce Casino is nestled in the heart of Southern California and is a poker player's dream. With more than 243 total gaming tables, Commerce Casino features just about every form of poker including Limit and No Limit Hold 'Em, 7-Card Stud, Omaha, Lowball, Pot Limit, Mexican Poker, Pineapple, Draw, Low-Ball, and many others.

Commerce Casino offers a well-lit, comfortable, relaxing, quiet (no ringing slot machines) and smoke-free environment, plus a welcoming and friendly staff, who are quick to provide assistance and instruction at the request of players. It has attracted a growing clientele who find recreational gaming close to home preferential to hopping a plane to Las Vegas.

Better yet, styled like an elegant Assyrian palace, Commerce Casino has everything a Vegas casino offers—a full service hotel, superb dining establishments, spa, pool and sundeck, banquet rooms, shops and entertainment!

The Crowne Plaza Hotel at Commerce Casino, which opened in 2001, features 200 well-appointed deluxe guest rooms and suites with fully stocked mini bars, three telephones, high-speed internet connection, and--in selected rooms--Jacuzzi-style baths. Rooms on the Priority Club floors offer a private lobby lounge with complimentary continental breakfast and evening hors d'oeuvres.

Guests may luxuriate in The Spa At Commerce Casino, day spa and beauty salon, which features a host of therapeutic and rejuvenating hair, facial and body care treatments for men and women.

Known for its excellent international cuisine, Commerce Casino presents a collection of enticing restaurants, including:

- Stakes Supper Club, the signature restaurant and Steak House serving cuisine with a California Fresh Flare
- G.T.'s Sushi Bar
- The Las Vegas Buffet, open 24 hours, offering a wide variety of hot & cold items
- The Arena Sports Bar & Grill, which showcases live sports coverage via satellite broadcasts and multiple large screen televisions has a large selection of items from different countries.
- The New York Deli, which serves a variety of delicatessen and daily specials.
- Tropical Snack Bar offering Krispy Kreme doughnuts, Starbucks coffee, hot dogs, tacos, fresh juices and more!

Commerce Casino also provides tableside dining to all seated players so that patrons do not miss a minute of the action.

After dinner, guests can enjoy live world class jazz at Stakes Supper Club or the Comedy Club on Thursday nights.

But let's not forget Commerce Casino's wide array of gaming opportunities. Known for its variety of games and limits, Commerce Casino caters to a vast variety of gaming enthusiasts, offering No Bust Blackjack, Caribbean Stud, EZ Baccarat, Pan, and Pai-Gow, as well as all the limits and variations of poker. Free gaming instruction is available for any newcomers. All the games are fun, easy to learn and exciting to play.

Commerce Casino also plays host to corporate casino nights. There is always a Player Relations director on site to assist individual players and groups.

"We play host to guests from around the world," says Jeff Harris, Casino Manager. "But our core clientele are folks right here in Southern California. Commerce Casino is perfect for a little mini-getaway, an evening of gaming, entertainment and dancing, a little Las Vegas-like pampering, or a bachelor party romp. We are a hidden gem in the middle of the city and we'll make you feel like an honored guest."

Commerce Casino, seven miles south of downtown Los Angeles and a stone's throw from Disneyland, is located at 6131 East Telegraph Rd., Commerce, CA 90040, just off the Santa Ana (5) Freeway at the Washington Blvd. exit. The phone is (323) 721-2100. For more information, go to www.commercecasino.com.
